

# Out of Office

BACK SOON!  
*(yeah right...)*

Each year the Multiknit ladies get a day off to let their hair down, relax and just have fun! We all know the classic girls night out (think dinner, drinks, and dancing). But sometimes a night out at a loud venue doesn't make for the best conversation or a memorable experience. So, instead of burning the midnight oil, we swapped night for a full day of fun.

Both regions ended up doing a scavenger hunt this year (SNAP)! Randfontein's ladies did a Mall Hunt filled with frozen treats, photo moments and a list of items that needed to be collected. At White River, we divided the ladies into 3 teams (blue, pink and purple) and sent them out on a Mini Amazing Race. Clue cards were left for them at each destination pointing them to the next stop.

Lunch and frozen margarita shots were served at a local restaurant, Picassos, and we ended by shaking off the day's decadents with a belly dancing class!

Thank you so much to all the vendors who made our day!!
